Believe it or not, Warren Miller has been making ski movies for each of the last 60 years! You absolutely can't miss this historic event. Join your Up the Creek friends for happy hour (location TBD) and then head over to the Paramount Theater for the 6:30 showing of **DYNASTY**. We'll have lots of great giveaways including Warren Miller DVD's, WM bandanas, and WM ski pass retractor clips.

Warren's 60th Anniversary film revels in the past, present, and future of winter sport. It is a film that gathers the generations under one filmic roof, from the Crist Family Patriarch to Glen Plake to Daron Rahlves, and the youth explosion of terrain park talent they've inspired.

Want drama? Watch Chris Davenport bring his obsessive mountaineering to Norway's gnarliest peaks, of the Lyngen Alps. Want excitement? Try a young gun invasion of British Columbia's Monashee Mountains by Chris Benchetler and Cody Hawkins. Want some perspective? Chris Anthony goes beyond deep into the mountains of central China in search of skiing's roots dating back to 2000B.C. Want comedy? Reunite with Luke and Adam Schrab, as they turn Michigan's Timber Ridge into the X Games—with Packers jerseys.

In addition to the movie you get these great bonuses from the movie sponsors;
